

Better productivity, lower turnover and improve safety when you also train in Spanish.

Four important tools en Español!

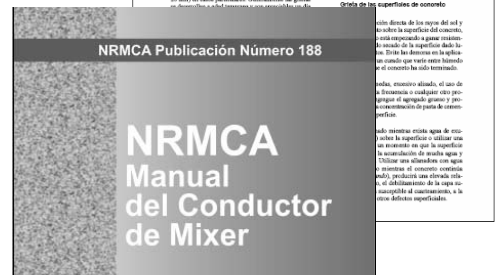

Concrete Delivery Professional Certification (CDP) Training Materials - CDP is the driver certification program that increases customer satisfaction, improves morale, decreases turnover, improve quality and provides a competitive advantage. Use the Spanish training materials to prepare for onsite certification. For information and to order contact Shawnita Dickens, 888-846-7622 x1154. sdickens@nrmca.org **Set of Five Modules: \$150**

CIP: Concrete In Practice in Spanish is a series of 36 one-page information sheets on important technical topics, written in a non-technical "What, Why and How?" format. Give them to contractors as part of your promotion *and* education program and they'll know that you deliver quality and value. **20 Sets** of 36 topics: \$200
 Single Set (CIP 100) (1 @ of the 36 topics): \$25
 Individual topics (In pkgs of 50): \$17 Call for a complete list of topics.

Truck Mixer Driver Manual - This best-selling, 74-page, easy to understand manual educates truck mixer drivers about concrete and customer relations. Recently translated, it also highlights driver duties, safety precautions, equipment inspection and maintenance procedures, and what the driver should do in case of an accident. **1:** \$12 **20:** \$200

Hand Signals for Mixer and Contractor Guides - Don't compromise on safety. Place an 8x10" adhesive decal containing nine of the most common hand signals on every truck. (Enter, Back In, Back Up, Pull Forward, Stop, Raise/Lower Chute, Start Pouring, More Water, Stop Pouring...in Spanish) **1:** \$5 **Set of 20:** \$80
