NRMCA education works for you with solutions that pay off now!

## Environmental Professional Certification Course for the Ready Mixed Concrete Industry

Tuesday, November 28 – Thursday, November 30, 2017 | Orlando, FL

**Why you should attend:** Do you know the details concerning your company's responsibilities when it comes to EPA regulations, the *Clean Water Act*, discharge permits, stormwater management, and a host of other critical environmental matters? If not you'll benefit from this course; it delivers 2 ½ days of intense learning on environmental issues facing the ready mixed concrete industry; including a new module on implementing the NRMCA Green-Star Plant Certification. Get the tools, information and hands-on experience you need at your facilities.

**Who should attend:** Concrete Plant Managers, Environmental Managers, Compliance Managers, Executives or anyone with fiscal and/or environmental responsibilities.

### Program at a Glance:

#### Day 1 (sequence of topics subject to change)

- Environmental Management Overview
- Regulatory/Governmental
- Clean Water Act NPDES
- Water Quality Management
