

# Sponsorship 2020

**CONCRETEPAC** 

# Dear Member:

**CONCRETEPAC** is the federal political action committee (PAC) representing the ready mixed concrete industry. **CONCRETEPAC** allows NRMCA members' employees to participate in the political process as a community. Through **CONCRETEPAC**, NRMCA supports candidates for Congress who are pro-business, pro-ready mixed concrete, and who are willing to work with us to achieve our legislative and regulatory objectives.

Corporate sponsorship enables us to underwrite **CONCRETEPAC's** events, allowing us to raise funds through the personal contributions of NRMCA members. Every Congress considers and votes on issues that impact the ready mix industry, and NRMCA's members' support for **CONCRETEPAC** ensures that we are in the room where it happens.

By becoming a **CONCRETEPAC** Corporate Sponsor, you are setting the ready mixed concrete industry up for success in Washington as we continue to support champions of our industry and ensure that our voice is heard.

Please make a selection below for your sponsorship level and fill out the requested information.
