

National Ready Mixed Concrete Association Celebrates the

# Softer Side of Concrete

NRMCA's Concrete Cares Award recognizes the everyday work our member companies perform to serve home towns nationwide.

**All current NRMCA concrete producer members are eligible and encouraged to submit!**

If you are helping people in your community,  
we want to celebrate YOU!

## Three Reasons to Submit:

### Give Back More!

- 1 Two winning companies' chosen charities receive a **\$1,000 donation** in their company's name!

### Inspire Others!

- 2 Service is in our members' DNA. Sharing the support for your community will inspire others to celebrate their service and share their stories.

### Great Work = Great Recognition!

- 3 NRMCA will feature all submissions on our social media channels throughout 2023, working with you to highlight your service work in a way that you can re-share for your own uses

**Submissions Due December 23. Visit:**

# NRMCA Concrete Cares Nomination

Celebrating the Softer Side of Concrete

**Deadline: 23 December 2022**

With ready mixed concrete plants in almost every community in America, NRMCA members are making a difference in their neighbors' lives. The Concrete Cares Award aims to recognize local community service efforts by shining a national spotlight on the positive impact ready mixed concrete companies have on hometowns nationwide.

**Award winners will have a donation of \$1,000 made to a nonprofit of their choice.**

Finalists will be notified in Q1 2023, with awards to be presented at NRMCA's 2023 Annual Convention.
