Dear Gregg,

Congratulations! On behalf of the staff and board of Habitat for Humanity of the Chesapeake, it is my pleasure to announce that NRMCA, an ICF Home Sponsor, has been named one of Habitat for Humanity of the Chesapeake's In Kind Donors of the Year for your outstanding commitment to building homes, communities and hope in Central Maryland!

We are excited to highlight donors, homeowners, volunteers and all that have been an integral part of supporting our mission over the past 4 decades at a special reception celebrating our partners. The reception will be held at The Winslow Baltimore, 333 West Ostend St, Baltimore, MD 21230 , from 5:00 - 9:00 p.m. on Thursday, October 12, 2023, and hope you and a guest will attend to accept the award.

As our team prepares, we would like to set aside a time to capture a brief video interview of you sharing how your work impacts Habitat Chesapeake's mission (our team will have a brief set of questions for you to answer and will send them over to you ahead of time). The video will be played during the event as you receive your Annual Partner Award. **You can easily schedule a time by following link or scanning the QR code shown at the bottom of this letter to set up your interview. Thanks to dedicated supporters like you, we have built nearly 800 homes over the past 41 years — providing safety and stability for more than 3,000 children and family members. Habitat homeowners have gone to college, found jobs as teachers and nonprofit leaders, and many have paid off their homes, building wealth that will last generations. Your support has also built stronger communities. Rising property values and increased civic pride encourage non-Habitat homeowners and businesses to engage in these communities, too.

Thank you again for your generous support of Habitat for Humanity of the Chesapeake. We look forward to honoring you and your efforts to build happier, healthier families and vibrant communities. **Please RSVP online at www.cominghomereception.com. Questions? Sincerely,

Mike Posko
