

Empowering Communities Through Resilient & Sustainable Design

TUESDAY, MARCH 5, 2024
7 AM - 11:30 AM

BUILD WITH STRENGTH

SYMPOSIUM AGENDA

7:00 - 8:00 AM - Breakfast & Registration

8:00 - 8:45 AM - Topic: Sustainability

8:45 - 9:15 AM - Topic: Insurance

9:15 - 9:45 AM - Topic: Architecture

9:45 - 10:30 AM - Topic: Inflation Reduction Act (IRA)

10:30 - 10:45 AM - Networking Break

10:45 - 11:30 AM - Q&A Panel Discussion

Optimizing the building envelope is essential to achieving energy efficiency, decarbonization, and sustainability. As is understanding available building options and financial incentives.

Join us for a lively morning around implementing high-performance building strategies as well as how to leverage federal IRA incentives for sustainable systems!

Hear from experts on:

- Incentives within the Inflation Reduction Act
- Insurance savings when building resiliently
- Best practices associated with resilient construction

PRESENTERS:

- ▶ BRENT WAVRA & STEPHEN WESTERBACK - CMTA
- ▶ SHAWN FLAVIN, CIC & NATHAN LORTZ - CHRISTENSEN GROUP
- ▶ MATT GREEN - KB WALKER
- ▶ MIKE BERG - CLOW BERG

REGISTER

Approved Continuing Education
