

NRMCA Concrete Cares Nomination

Celebrating the Softer Side of Concrete

Deadline: January 5, 2026

With ready mixed concrete plants in almost every community in America, **NRMCA member companies** make a difference in their neighbors' lives. The Concrete Cares Award aims to share that message and recognize local community service efforts by shining a national spotlight on the positive impact ready mixed concrete companies have on hometowns nationwide.

1st place will have a donation of \$1,000 made in their name to a nonprofit of their choice. Two honorable mentions will each have a donation of \$500 made in their name to the nonprofit of their choice.

Finalists will be notified in early 2026, with awards to be presented at NRMCA's 2026 Annual Convention.
