NRMCA

**2026 SPONSORSHIP
PROSPECTUS**

Each year, NRMCA welcomes businesses, like yours, to elevate their brand, increase visibility, engage with key industry leaders, and solidify their commitment to the ready mixed concrete industry through sponsorship with us.

Like prior years, this 2026 NRMCA Sponsorship Prospectus includes a host of opportunities tailored for partners of all sizes and strategic goals. And this year, the 2026 NRMCA Sponsorship Prospectus introduces some new features as well.

First, we expanded our Super Sponsor designation into four tiers of strategic partnership. Strategic Partnership offers your company all the benefits and brand visibility of conventional sponsorship with the added value of partnership through various NRMCA products and services.

Second, we designed sponsorship packages. Sponsorship packages combine multiple sponsorships into one opportunity. Sponsorship packages give the sponsor more time on message with the target audience through a diversity of channels at different cadences.

Third, we're offering investment ranges. Investment ranges are sponsorships that start at a baseline price with the option to build through additional features and benefits. This gives the sponsor both more control and more flexibility in how their brand is showcased.

Fourth, we're adding discounts. Discounts may be earned in two ways; a) volume: the more you spend, the greater discount you earn, and b) commitment: sponsoring across multiple events or multiple years earns savings.

Fifth and finally, we're adding you. If you want to be a sponsor, but don't see something in this prospectus that fits your price range or your needs, we invite you to call us. We'll listen, work with you, and think creatively about how to help share your brand and shape your message.

Our commitment is to continue designing, developing, and delivering meaningful products, dynamic events, and registration that trends upward, giving you the stage, and the audience to promote your brand.

We're glad you're here,

The NRMCA Membership Engagement and Growth Team

About NRMCA

Founded in 1930, the National Ready Mixed Concrete Association (NRMCA) is the leading industry advocate.

VISION:

Lead a united and prosperous industry ensuring ready mixed concrete is the premier construction material for building resilient and sustainable communities.

MISSION:

The National Ready Mixed Concrete Association creates opportunities for our members and the industry to prosper through leadership in safety, environmental & operational excellence, promotion, advocacy, workforce development, and concrete technology advancements.

NRMCA's work is organized around three primary goals, set forth in its strategic plan:

MEMBERSHIP VALUE:

Drive member success by elevating advocacy and amplifying value.

INDUSTRY:

Lead industry growth by positioning concrete as the material of the future.

PEOPLE:

Attract, strengthen, and sustain the concrete workforce.

2025 Membership Stats

444

ready-mixed concrete producer members

- ▶ NRMCA producer members generate more than half of all ready mixed concrete produced in the U.S. and operate in all 50 states

218

associate members

- ▶ Manufacturers, Products, and Services: 170
- ▶ Material Suppliers : 32
- ▶ Concrete Contractors: 16

50

new or rejoining members in 2025!

Membership Reach in 2025

Annual Convention: Almost 500 attendees (members, partners, and industry leaders)

NRMCA's ConcreteWorks: 1600+ attendees with 300 first-time attendees (record-breaking attendance)

National Mixer Driver Championship: 128 drivers (record-breaking attendance)

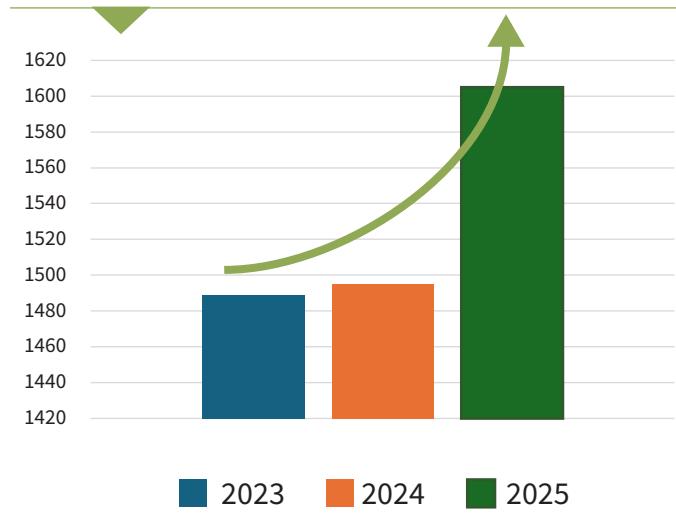

2025 Learning and Development Course

Registration, enrollment, and attendance at all NRMCA events is steadily increasing year over year, expanding the reach and impact of your sponsorship investment.

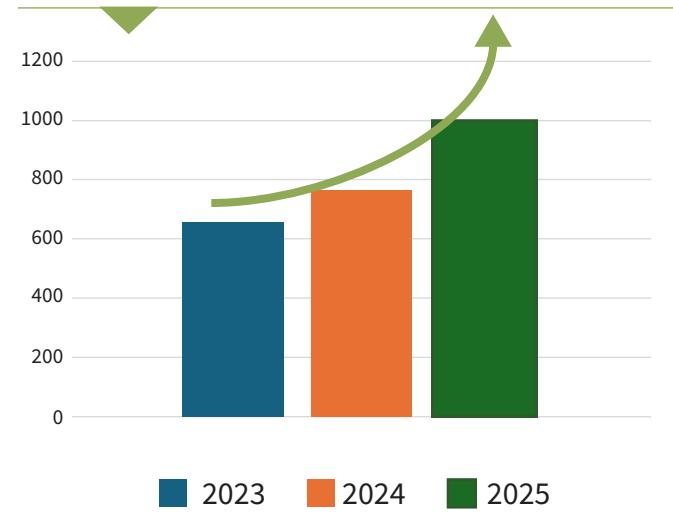

- ▶ Over 800 learners passed through our classrooms
- ▶ Over 350 concrete delivery professionals registered for our online learning program
- ▶ 24 aspiring industry leaders were nominated for, and accepted into, the Developing Industry Leaders program
- ▶ Build With Strength surpassed 100,000 all-time learners through its educational programs

Registration Trends (steadily increasing!)
