

SHOWCASE YOUR COMPANY!

NRMCA 2024 SPONSORSHIP PROSPECTUS

WWW.NRMCA.ORG

SPONSORSHIP PACKAGES

Reaffirm your corporate brand and show your support
for NRMCA by becoming a sponsor in 2024!

This year, NRMCA will host virtual events, meetings, and expert education and training courses. From networking with colleagues from across the United States to participating in numerous online seminars and committee meetings, NRMCA attendees can bring to their businesses new information and techniques to meet current and new challenges.

The Benefits of Showcasing Your Company

Executives, board members, producers and other industry leaders attend NRMCA's events for new ideas, products and services to take their work to the next level. Our sponsorship packages allow companies ample opportunities to place their name and products right in front of the industry's senior ready mixed concrete professionals, cement and other concrete-segment personnel while getting the most efficient ROI.

As a sponsor, your company logo and/or name will appear at the association's most important events. At these online and physical venues, your sponsorship will be announced, featured on banners, printed on handouts, displayed during meals and breaks, and showcased on other materials. In online media, your logo will be linked to your website. These are sponsorship opportunities that will help connect you with NRMCA members in 2024. Sign up now and be part of a precisely-targeted media program that reaches the people you need to reach. It all adds up to a great investment with great return.

Sponsorships are limited and available on a first-come, first-served basis. NRMCA reserves the right to adjust sponsorship offerings.

Companies that have granted prior authorization to NRMCA's political program, CONCRETEPAC, will receive information regarding CONCRETEPAC Corporate Sponsorship opportunities for 2024. For more information how your company can become a CONCRETEPAC Corporate Sponsor in 2024, contact Heather Houck (hhouck@nrmca.org) or Andrew Tyrrell (atyrrell@nrmca.org).

NATIONAL MIXER DRIVER CHAMPIONSHIP 2024 SPONSORSHIP

The NRMCA Safety, Operations and Environmental (SEO) Committee programs the National Mixer Driver Championship around a written exam, Driving Course challenge where participants are scored on their front discharge or rear discharge vehicle operating skills, and Driver Ability challenge, gauging performance in vehicle walk around and delivery ticket inspections, reaction time test and chute maneuvers from behind the wheel. Last year's 101-member field marked a record for an event now in its 19th year. The SEO Committee opens National Mixer Driver Championship applications in late spring, primary candidates include winners of producer member internal driving competitions or those of NRMCA State Affiliate events.
